Subject: Project Discription New Company (FZ-LLC)

We, the future shareholder of the InterCertConsult FZ-LLC agree to find this new project in order to the rules of the freezone of Ras al Chaima.

1. This freezonecompany is buildt for consult insripted partners in all questions of job education and necessary certifications in order to the global rules of ISO-certifications, specially the ISO 17024, but also ISO 9001 in it's actual forms.
2. Also InterCertConsult will manage online the web administration and the internet programmes for processing internal company tasks such as accounting and human resources management, as well as external tasks such as customer management, distribution, consulting and sales.
3. For these services, InterCertConsult will conclude service agreements with partners for fixed terms, in which the services are defined and described and which commit to monthly basic payments for the term of the agreements.

This also is documented and fixed in our MEMORANDUM, given in August 2025 and signed by the shareholder.

Bulelani Barry, MSc
Deputy Managing Director
